U.S. Bureau of Standards.
Circular of information.
Washington. 1902-03.-

This image shows a blank, aged, cream-colored page, likely an endpaper or flyleaf from an old book. The paper has a slightly textured appearance with some minor creases and discoloration, particularly along the edges. Horizontal ruling lines are visible across the page, suggesting it was once part of a ledger or a notebook. A dark circular binding element is visible at the bottom center of the page.
